

Indiana Agriculture and Technology School Petition for Outside Credit

Indiana Agriculture & Technology School may grant a student up to 16 credits taken from outside institutions towards their high school diploma, while enrolled with IATS.

1. The request must be approved by the counselor and principal prior to the student's participation in the program. Approval cannot be granted retroactively.
2. The course must be taken through an accredited institution or curriculum.
3. For any credits not needed for high school graduation, a student may choose not to post off campus coursework to the IATS transcript.
4. It is the student's responsibility to have an official transcript mailed to Indiana Agriculture & Technology School upon completion of the course. Course information will be transferred to the student's permanent academic record. Once added, courses/credits CANNOT be removed from the IATS transcript for any reason.
